Dear Families,

Every Monday your child will bring home 5 reading books in their mailbag. These books are to be read over the course of the week. They **do not** have to read every book, every night. They may decide to read two books on Monday night, one book Tuesday or three books on Wednesday etc. The only requirement we have is that they read at **least one book each night**.

If you have any questions please see your child's teacher.

Kind Regards,

Prep Team
