

ALTONA PRIMARY SCHOOL

Knowledge & Nurturing by the Bay

December 2024

Dear Parents and Carers,

Altona Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, it is these contributions made by our parent/carer community over the years of your child's schooling, that provides our school with an enriched learning and teaching program and the environment and resources that we can enjoy today and continue to improve upon.

We want to thank you for all your support, whether that is through contributions, fundraising or volunteering your time. The financial support ensures that we can continue to provide the excellent range of facilities, curriculum materials and resources for your children.

Within our school this support has allowed us to:

- provide materials and resources for engaging and hands-on classroom experiences in English, Mathematics, Science and Technology.
- purchase equipment and resources to enrich our specialist programs, PE, Music, Art and Auslan
- invest in brand new computers and electronic devices including robotics, ipads and cameras
- maintain and further enhance the school grounds and playground equipment
- replenish our library and classroom books, investing in new and updated material drawing on the best evidenced-based educational knowledge and practices

Your generosity will continue to support us to provide year level and specialist team budgets, maintain and improve our school's building and grounds, and replenish and renew classroom and digital resources. Without your contributions, many of these things may not be possible.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Sarah Afiouni
